

Please be prepared for class with appropriate dance clothes and shoes. Make sure that student's hair is pulled out of the face and off the neck for all classes. For ballet classes, students must wear a neat bun, complete with bobby pins, hairnet, hairspray or gel, if necessary. Students will not be permitted in the studio without proper attire and hair requirements, so please make it a priority to practice securing your child's hair before classes begin in September. GDS Staff will be available to help with bun making occasionally, however please do not solely rely on staff to make a bun for your dancer every week. Listed below are the acceptable brands for GDS attire, and GDS apparel may be purchased at the boutique. For student's safety, no jewelry! **\*\*Beam and Barre has a complete list of GDS requirements.**
