

This year the Spring Performance tickets for "The Sequel" will go on sale on two different days in order to try and alleviate some the online traffic issues we have previously experienced.

Thursday, April 11th (2pm Matinee Show on Sale - K through 4th grade)

You may purchase tickets by

- Placing order online at www.artscenter.org
 - We have been told that patrons no longer need to set up an account through the PAC website prior to the on-sale date. You will enter all of your information at the time of purchase.
 - Tickets will be delivered to your email at no additional charge where they can be printed at home or the QR code can be scanned from your phone upon entry to the theater.
 - To avoid choosing the same seats as another ticket buyer, we have been advised to please click "Check Out" as soon as you choose your desired seats!
 - In addition, there is a slight delay in your confirmation email through their software. Do not worry, it does not mean your order was not processed.
- Calling the box office at 914-251-6200
- Arriving in person at the Performing Arts Center Box Office
 - Tuesday-Friday 12pm-6pm
